

Citrus College

Instrumental Music

Citrus College has one of the finest and most enterprising music departments in Southern California. The Instrumental Music Program offers amazing facilities, diverse performance opportunities and classes taught by caring faculty with professional industry experience.

Citrus offers a variety of top-notch performance ensembles to prepare you for a successful career in music. Our music ensembles have received national and international acclaim and regularly perform concerts in Hawaii, Japan and Europe. Many students have gone on to perform with major rock acts such as No Doubt, Green Day, the Offspring, and Chris Cornell. We also have former students performing in Las Vegas, on Broadway, on cruise ships and throughout the world as well as continuing their training at prestigious music schools and conservatories.

As an instrumental music student at Citrus College, you'll have access to the state-of-the-art Entertainment Technology Complex, which includes the 1,440-seat Haugh Performing Arts Center, two world-class audio recording studios, two mixing suites, digital post production facilities, and full dance and drama studios. Entertainment industry clients who have used our facilities for their musical productions include Disney®, Nickelodeon®, Interscope Records, The Black Eyed Peas, Jennifer Lopez, The Aquabats and Royal Crown Review to

name a few. Our faculty and students have performed for a variety of premier talents in the music industry, such as Gwen Stefani, Kevin Lyman (The Warped Tour), John Avila (Oingo Boingo, Real Big Fish); have been featured on nationally broadcast television shows, such as Saturday Night Live, Good Morning America, David Letterman, and various awards shows; and have recorded in TV commercials, on HBO and feature movies such as The Mighty Ducks III.

At Citrus College, you will develop your musicianship by playing in a wide variety of quality instrumental music ensembles. Some of the dynamic ensembles we offer are Jazz, Rock, Classical, Funk and Salsa. The applied music program will assist in developing your potential as a musician and a student. Classes in songwriting, electronic music and recording arts will prepare you for the expanding role of today's musician. You will develop a comprehensive music background studying music fundamentals, harmony, musicianship and music history.

College Admission

Admission to Citrus College is open to high school graduates and any person 18 years of age or over.

To enroll, submit an application for admission online at:
<https://wingspan.citruscollege.edu>

New students enrolled in five or more units and planning to earn an associate degree, a certificate of achievement, or a skill award must take an English and math skills assessment. In addition, new students who plan to enroll in English, mathematics or reading classes must participate in the skills assessment process.

Concurrent Enrollment for High School Students

Some programs and classes are available to current junior and senior high school students. Interested students should contact their high school counselor or the college's Admissions and Records Office.

Associate Degree

For an associate degree, a student must complete 60 degree-applicable units of work and fulfill specific general education requirements, including electives and physical education. A cumulative grade-point average of 2.0 ("C") or above is required.

For detailed information, refer to the college catalog or consult a counselor.

Transfer Requirements

Transfer requirements can be integrated with the associate degree option so that you may receive a degree at the time of transfer. **See a counselor for specific requirements for your major. Course requirements may vary among colleges.**
